## **AIR BRUSH KIT WITH 5 FT. BRAIDED HOSE**

- Double action function allows user to color blend and draw fine lines
- Pistol trigger design provides familiar feel of a larger spray gun
- In-line water trap with centered bronze filter provides enhanced barrier against moisture
- Positional 1/2 oz. (15 cc) side-mounted gravity cup allows for background fill in
- Can be adjusted for optimum fluid control
- Great for detail work
- Nickel plated
